

- Applicants are required to apply to the Illinois Department of Financial and Professional Regulation prior to scheduling an examination with Continental Testing Services.
- The IDFPR application is available at www.idfpr.illinois.gov.
 - Please click on the Agency Link
 - Click Professional Regulation
 - Search for your profession, Psychologist Clinical
 - Select the written examination and download the application for the Psychologist Clinical examination.
 - Please **submit the application to IDFPR** with the requested documentation in order to be approved for examination.
 - Once you have been approved by IDFPR you can apply to schedule an examination with CTS using the online application process listed below.
- You need to complete the Continental Testing Application following the application procedure described below.
- Within 10 business days of completing the application with our office, Continental Testing will create an account for you at the Association of State and Provincial Psychology Boards (ASPPB) via a Certemy platform.
- Continental Testing will set your validity period to sit for the EPPP in the Certemy platform. You must take the examination within your validity period or reapply with a new application and supporting documents to the Illinois Department of Professional Regulation.
- You will then receive an email from ICPLDB@certemy.com. Follow the links to register, pay and schedule your appointment at a Pearson Vue testing center.
- You must apply to Continental Testing after each unsuccessful exam attempt.
- If you need special accommodations, please apply to this office before registering for the EPPP exam. You can find the ADA application and check list of documents required at this link: [IL_ADA.pdf](#)
